# Active Travel Lansbury Park and Van Road Caerphilly

## Have your say...

As part of the delivery of the Council's approved Active Travel Network Map (ATNM), this project is looking at how a selection of Active Travel routes in the Lansbury Park and Van areas of Caerphilly could be developed and delivered for pedestrians and cyclists, in line with Welsh Government policy that encourages walking and cycling\* as a preferred travel mode for journeys within short distances.

*\*Please note that when we use the term 'pedestrian' or 'walk' we are referring not only to those who travel by foot, but also users of wheelchairs and other mobility aids*

The consultation will be live between 11th December 2023 and 5th January 2024. Please give us your views by completing the short survey.
